

GME Transformation Annual Summit 2026

Denver, CO, December 10 and 11

<https://www.gmetransform.org/summit2026>

Call for Proposals (due by September 30, 2026):

1. **Shark Tank Idea** – Fresh policy ideas for transforming graduate medical education, for debate among conference participants in small groups, followed by presentation to the whole; (1 page in no less than size 11 font)
 - Concept Title
 - Name of individual submitting (these ideas will be vetted in small groups without attribution at the meeting)
 - Preferred email: For clarification and communication prior to the Summit
 - Abstract (including Purpose, Description of intervention – Federal or State legislation, Standard for accreditation, or Program Level Community Intervention)
 - Measurable outcomes from the intervention
2. **Special Interest Group** meeting – we may have breakout rooms or portions of rooms available for small groups to discuss a topic of mutual interest (Title and brief description, <50 words, with name and contact information)

Please submit to Program Planning chair Randy Longenecker at longenec@ohio.edu

Please Note: All presenters must pay the registration fee. In addition, no honoraria or travel expense reimbursement will be provided to any presenter submitting through this call for presentations.
